

## ARLEE TO RAVALLI DESIGN AND ALIGNMENT CONCEPT

## US 93 DESIGN DISCUSSIONS

Project Committee:  
 Montana Department of Transportation  
 Federal Highway Administration  
 The Confederated Salish & Kootenai Tribes of the Flathead Nation  
 Prime Consultant: Skillings-Connolly, Inc. - Consulting Engineers

Evero to Polson, Montana

December 20, 2000

This graphic provides a detailed representation of the design and alignment concept for the highway segment between Arlee and Ravalli. Information presented here includes road alignment, lane configuration, fish and wildlife crossing structures, wildlife fencing locations, interpretive opportunities, a visitor center, and other design features. Of particular concern are the wildlife crossings at the Jocko River and through the Ravalli Curves.
